RE: Case #97-249

Dear Sir:

I am replying to the May 15, 1997, letter from Sam G. McNamara regarding Case #97-249 which deals with the construction of a 240 foot, self supporting lattice tower with four (4) antennas for a total height of 257 feet and an equipment shelter to be located on Highway 2923 in Shelbyville, Shelby County, Kentucky 40065. I would like to state that I am vehemently opposed to the construction of this facility.

I feel that it is a detriment to the property and I am definitely against its being constructed.

Sincerely,

N. D. Radtke, M.D., F.A.C.S.
